## National Angel Island Day Honors US Immigrant Heritage

In light of ACR 76, authored by Assemblymember Mike Eng, passed into California law on September 10, 2009, and commemorating the Repeal of the Chinese Exclusion Act by designating December 17th as a Day of Inclusion, we are pleased to support President Barack Obama in celebrating America's immigrant heritage today, this January 21st, 2010 as National Angel Island Day, which commemorates the sacrifices and contributions of America's Angel Island immigrants.
